
SNM SOCIAL WELFARE: BLOOD DRIVE OCT 13TH, 2024

In alignment with Satguru Sudiksha Ji Maharaj's teachings, the Sant Nirankari Mission has continued its unwavering commitment to community outreach. This year, a significant blood donation drive was organized in partnership with the New York Blood Center.

This initiative not only reflects Baba Gurbachan Singh Ji Maharaj's belief that "The world can be won only by humanity, not by arrogance," but also resonates with Baba Hardev Singh Ji Maharaj's heartfelt reminder that "The blood should flow in veins, not in drains."

Through such humanitarian efforts, the Mission seeks to foster a spirit of unity and compassion, reinforcing the bonds that connect us all in our shared humanity.

With the extensive outreach efforts in the Elizabeth, NJ area, banners and fliers were disseminated to raise awareness and encourage participation in this noble cause. The response was heartening, with 43 donors registering and contributing 34 units of life-saving whole blood. These donations will serve as a lifeline for trauma victims, patients battling blood disorders, cancer, and various other life-threatening conditions in hospitals across NJ and NY..

Gratitude was expressed by New York Blood Center for the unwavering commitment of Sant

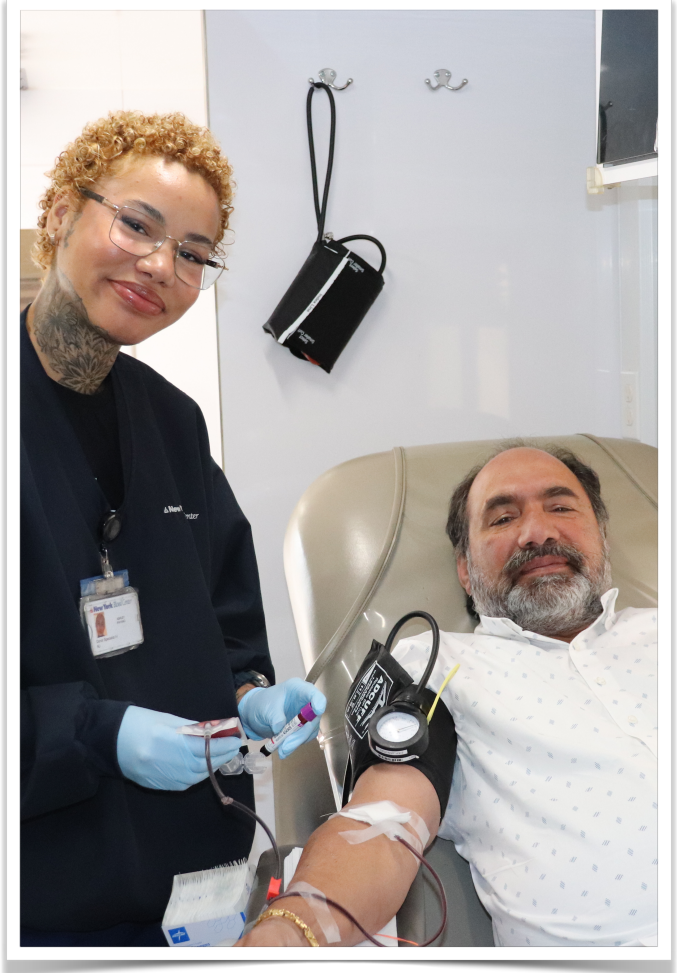

Nirankari Mission in championing this essential aspect of community service.
