
SNM SOCIAL WELFARE: COMMEMORATING MANAV EKTA DIWAS WITH COMPASSION IN ACTION

On the sacred occasion of **Manav Ekta Diwas** (Human Unity Day), observed annually on April 27th, the **Sant Nirankari Mission, NJ-PA Branch**, gathered under the divine guidance of **Her Holiness Satguru Mata Sudiksha Ji Maharaj** to honor the blessed memory of **His Holiness Satguru Baba Gurbachan Singh Ji Maharaj**. This solemn day, which marks the ultimate sacrifice made in the service of truth and unity, also paid tribute to **Respected Chacha Pratap Singh Ji** and other devout saints who laid down their lives for the noble cause of universal brotherhood.

Guided by the teachings of **Baba Gurbachan Singh Ji Maharaj**—who upheld that *“The world can be won only by humanity, not by arrogance”*—the branch

carried forward the Mission's sacred legacy through a meaningful act of service. A **blood donation drive** was organized in collaboration with the **New York Blood Center**, echoing **Baba Hardev Singh Ji Maharaj's** timeless message: *"The blood should flow in veins, not in drains."*

The event was a heartfelt offering of love and selflessness—an embodiment of *manavta* (humanity) in action. Through extensive outreach in the **Elizabeth, NJ** community, awareness was spread via banners, flyers, and personal invitations, all united in one purpose: to serve humanity. The collective response was inspiring, with **47 donors** registering and **29 units** of life-saving blood collected—an invaluable gift for those battling critical illnesses, trauma, and chronic blood conditions in hospitals across **New Jersey and New York**.

The **New York Blood Center** extended its heartfelt appreciation to the Sant Nirankari Mission for its consistent support and unwavering dedication to the welfare of society. Donors were offered refreshments and heartfelt gratitude, fostering a spirit of warmth, unity, and shared purpose throughout the event.

In essence, this initiative transcended the act of donation—it became a living tribute to the teachings of the Satguru, a celebration of **oneness**, and a reaffirmation of the Mission's unwavering commitment to **selfless service, universal brotherhood, and spiritual awakening**.

As the Mission continues to illuminate the world with the light of Truth, this observance of Manav Ekta Diwas stands as a powerful reminder: when hearts unite in divine love, even the smallest act can ripple into profound transformation.
