

Human Unity Day
IFTAR Dinner on Ramadan (April 24, 2021)
Sant Nirankari Satsang Bhawan Westbury ,New York

With the blessings of Her Holiness Satguru Mata Sudiksha ji Maharaj NY-CT branch hosted an **Iftar dinner during the month of Ramadan for the neighboring Islamic families**. The event at its core stands, promotes and echoes the message of **Human Unity and One Global Family**. A message that quite well resonates with the holy saying, "Yeh Pehla Sabak Hain Kitabe Hida ka, Makhluk Saari Hain Kunba Khuda ka". As the Mission provides common forum to the followers of every religion and is promoting Inter Faith harmony in the world it was a great way to celebrate **Manav Ekta Diwas (Human Unity Day)**.

Once we understand the oneness of God we appreciate the oneness of mankind, the unity in diversity and start living with the spirit of **universal brotherhood**. Baba Hardev Singh ji Maharaj always said that **Religion Unites Never Divides**, the volunteers of NY-CT branch put that into actions. It was such a pious atmosphere all over. Around fifty brothers and sisters from local Muslim Community gathered at the Bhawan. As these **attendees were observing the fasting on the pious occasion of Ramadan**, local volunteers went above and beyond to make all necessary arrangements to accommodate all their needs. Main congregation hall was utilized as the prayer room with serene backdrop conveying good wishes for Ramadan circulated on the screens.

The invitees were amazed by the hospitality and love given to them. They all could not stop praising the Mission and its teaching. It was truly a practical showcase of Human Unity. Such is the message of the Satguru to build a world without walls.

As stated in the Holy Avtarbani Verse 205

"A Muslim cannot recite Kalma in a temple;

A Hindu cannot sing the glory of Lord Rama in a Sikh shrine.

A Sikh cannot recite the name of Waheguru in a mosque;

A Christian cannot sing the glory of God in a Hindu temple.

True Master ends all wrangles of caste and community;

Avtar says, he makes people of all castes sit together at one place."

It is only upon the revelation of one's true self via God Knowledge, when the baseless barriers topple at once, paving way for selfless love for the entire humanity. Devotees of NY-CT branch express their gratitude towards Satguru Mata Sudiksha ji Maharaj for bestowing the light of God Knowledge and eradicating the darkness and dispelling all the figments of ill imagination led by ignorance.

The devotees humbly pray that may we all continue to be a medium of love, harmony and compassion and help make this world a better place.
