--Report by Prafull Lande

On Sunday, February 23rd, 2025, hundreds of SNM Tracy saints gathered to celebrate and reflect on the teachings of Baba Hardev Singh Ji Maharaj, as well as to participate in the Project Amrit campaign walk in the neighborhood surrounding the SNM Tracy Bhawan. The event was organized under the blessings of HH Satguru Mata Sudiksha Ji Maharaj, who initiated Project Amrit to promote the message of water conservation and the importance of clean water.

All sewadal members assembled at the Bhawan by 9:30 AM. A key highlight of the event was the campaign walk, organized by sewadal members, which saw participation from both the young and the elderly. They marched through the neighborhood, holding placards and chanting slogans related to the goals of Project Amrit. The walk began with a prayer and a short speech on the purpose of the event by Rev. Dr. I.S. Rai Ji (President, SNM USA). People of all ages took part, demonstrating their support for this noble cause.

Following the walk, a Satsang took place in the main hall, presided over by Dr. Iqbaljit Rai Ji, the President of SNM USA. He mentioned that "Project Amrit" Clean Water campaign is a very important social activity started by the mission in celebration of Baba Hardev Singh ji life. He also reminded us of Baba Buta Singh ji and Baba Avtar Singh ji's contribution to the mission especially the gift of Sewa, Satsang and Simran given to the sadhsangat. He shared an incident where once a reporter asked Baba Hardev Singh ji Maharaj how to seek bliss and Babaji said two things are necessary to enjoy bliss, one is divine knowledge and second is tolerance. The saints who attended the event reflected on Baba Hardev Singh Ji Maharaj's selfless contributions and his teachings of forgiveness and compassion for all humanity. It was a deeply moving and emotional experience for everyone present. The Bal Sangat and Youth Sangat sought blessings through a group song, with each child sharing an inspiring slogan about the mission of Oneness and God Realization. The theme of the month, "Strength of Unconditional Surrender," was discussed by various speakers who shared their insights on the topic.

Overall, the Project Amrit campaign at SNM Tracy, California, was a tremendous success. The event was well-organized, and everyone thoroughly enjoyed it. The message of Project Amrit was warmly embraced, and it was uplifting to witness so many people come together in support of this important and noble cause.
